Walter Jürgen Köcher Gómez

Industrial Engineering Student

Industrial Engineering student focused on data analysis, programming, and industrial automation. Committed, responsible, and a strong team player. Through practical experience in Germany and Spain, I have demonstrated technical proficiency and intercultural competence. I am a fast learner, highly motivated to work across different fields, and adaptable to diverse challenges.

Work Experience

Aug 2024 – Present **Research and Operations Assistant**, *Universidad de La Frontera*, Temuco, Chile.
Developed workshops, conducted practical lessons, analyzed operational data, and created educational materials.

Dec 2024 – Mar 2025 **Engineering Internship**, *CO-AX Válvulas S.L.*, Madrid, Spain.
Implemented a test bench for quality assurance. Applied technical standards within an international environment.

Jan 2024 – Mar 2024 **Engineering Internship**, *CO-AX Válvulas S.L.*, Madrid, Spain.
Design and development of a valve test bench. Preparation of technical documentation and failure analysis for process optimization.

Aug 2023 – July 2024 **Thermodynamics Teaching Assistant**, *Universidad de La Frontera*, Temuco, Chile.
Developed supplementary teaching materials for the Thermodynamics course.

Jan 2023 – Mar 2023 **Engineering Internship**, *m-tech gmbh*, Forchtenberg, Germany.
PLC programming for a semi-automatic gas filling system. Direct application of the German language in a technical environment and familiarization with German industrial standards.

Education

Dec 2020 – Present **B.S. in Industrial Engineering**, *Universidad de La Frontera*, Temuco, Chile.
Focus on process management and informatics.

Mar 2025 – Present **Minor in Data Analysis**, *Universidad de La Frontera*, Temuco, Chile.

Mar 2021 – Aug 2021 **Full Stack Java Developer Trainee**, *INFORCAP Training Center*.

Lagos 645 – Temuco, Chile
(+56) 988 239 680 • w.kocher.gomez@gmail.com
Date of Birth: 04/10/2002

Courses, Certifications & Projects

2025 **Winter School in Engineering Systems**, Santiago, Chile.

2024 **Global Engineering Congress (CIG)**, Temuco, Chile.
Participated in a route optimization workshop for delivery vehicles.

2023 **CLEIN 2023**, Cancún, Mexico.
Latin American Congress of Industrial Engineering Students.

2023 **Lean Six Sigma Certification**, Cancún, Mexico.
White Belt and Yellow Belt certifications.

2022 **German Course - Certificate of Attendance**, *Goethe-Institut*.

2019 – 2020 **Intensive German Language Course**, *Sprachschule AKTIV*.

Technical Skills

Engineering	Data Analysis, Continuous Improvement (Lean Six Sigma)
Automation	Automation and PLC, Digital Twins
Simulation	AnyLogic, Arena
3D Design	Catia v5, SolidWorks
Programming	Python, Java
Tools	Adobe Photoshop

Languages

Spanish	**Native**	
German	**Upper-Intermediate (B1)**	*Practical proficiency in technical environments*
English	**Intermediate (B1)**	*Effective oral and written communication*
